

ENVIRONMENTAL PROCESS & SAFETY INSTRUMENTATION

24-hour service | pioneerindustrial.com | 800.767.7867

ThermoFisher
SCIENTIFIC

Environmental, process and industrial hygiene instrumentation for continuous gas, particulate and water analysis
Continuous emissions analyzers, ambient air monitors, particulate analyzers, FTIR gas analyzers, mass spectrometers, LDAR instruments, industrial hygiene monitors, water analysis instruments

Gas sample extraction, transport and conditioning solutions for continuous emissions and process measurement systems
Gas sample probes, heated sample lines, sample conditioning systems, gas coolers, filters, pumps and accessories

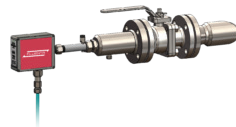

Sample transport, instrument protection and temperature-maintenance solutions for process and analytical systems
Heated and non-heated sample lines, instrument supports, instrument enclosures, tubing bundles, freeze-protection systems

Honeywell

Fixed, wireless and flame detection solutions for industrial facilities and hazardous environments
Fixed gas detectors, wireless gas detection systems, flame detectors, gas monitoring controllers, alarms and accessories

Flare gas measurement solutions for emissions monitoring, regulatory compliance and process optimization
Ultrasonic flare gas flow meters, flow measurement systems, monitoring software and accessories

Ignition and flame detection solutions for boilers, burners, pilots and gas turbine applications
High-energy ignition systems, flame detection systems, integrated pilot ignition systems, predictive ignition diagnostics, portable ignition tools

Calibration gas solutions for emissions monitoring, process analysis and environmental compliance
EPA protocol gases, certified calibration gas mixtures, specialty gas mixtures, zero and span gases

High-accuracy temperature measurement and compression sealing solutions for demanding industrial applications
RTDs, thermocouples, thermowells, transmitters, compression seal fittings, pressure and vacuum sealing assemblies, fiber optic fittings

Coriolis mass flow measurement solutions for demanding industrial and process applications
Coriolis mass flow meters, density measurement systems, high-pressure flow meters, low-flow meters and transmitters

In-situ gas measurement solutions for biogas, renewable natural gas and carbon capture processes
Methane, carbon dioxide and humidity measurement probes, process transmitters, biogas analyzers, RNG monitoring instruments

Need Help Choosing the Right Instrumentation Equipment?
Talk with an EP&SI specialist today | (314) 771-0700 | pioneerindustrial.com

ENVIRONMENTAL PROCESS & SAFETY INSTRUMENTATION

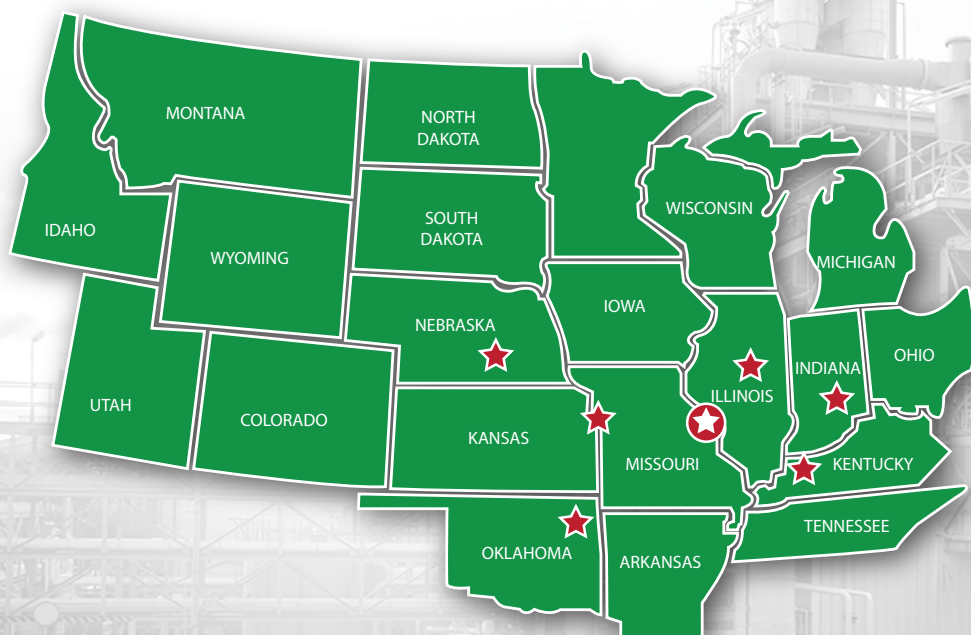

24-hour service | pioneerindustrial.com | 800.767.7867

Valve & Equipment Services

- Pressure / Vacuum Relief Valve Repair
- Control Valve Repair Services
- Manual / Line Valve Repair Services
- Automated Valve Assembly & Testing
- Electric Actuator / MOV Repair
- Field Repair Services & Mobile Units
- Field Machining
- Mechanical Seal Repair — Any OEM
- Pump Repair
- Valve Packing Program
- Turn-Key Industrial Coating — On-Site or In-Shop Application
- API 598 / 67A / 6D Repair Services

Value Added Services

- Spare Pool Valve Management
- Outage Planning & Parts Staging
- Start-up & Commissioning
- Part Inventorying
- ValvKeep Viewer (VK Viewer)
- Portable Control Valve Diagnostic Evaluation
- Plant Surveys
- Asset Management / Engineering
- Full-Time Onsite Embedded Assets
- 3D Scanning

OFFICE LOCATIONS

**ST. LOUIS, MO
HEADQUARTERS**
400 Russell Blvd.
St. Louis, MO 63104
(314) 771-0700

KANSAS CITY, MO
2611 Southwest Blvd.
Kansas City, MO 64108
(816) 753-6333

TULSA, OK
7239 East 46th St.
Tulsa, OK 74145
(918) 221-5373

HASTINGS, NE
113 S. Lincoln Ave
Hastings, NE 68901
(402) 460-4735

DECATUR, IL
1501 N. 22nd St.
Decatur, IL 62526
(217) 442-7900

INDIANAPOLIS, IN
9870 30th St.
Indianapolis, IN 46229
(317) 897-3099

CALVERT CITY, KY
700 Dr. Smith Ln.
Calvert City, KY 42029
(270) 909-1114
